<b>POLICIES</b>	
<b>Attendance policy</b>	Attendance is required. Under objective circumstances (eg illness, international internship) training can take place individually (online).
<b>Assessment policy</b>	Assessment during the semester is carried out in the form of performance and defense of practical works, performance of an individual research task, report and final test. All work must be performed independently. The student's grade is formed as follows: 1. Report on the results of practical works – 80 points. 2. Final control (test) – 80 points. 3. Summary (preparation, presentation, defense) –20 points. 4. Multimedia presentation on the topic of individual research task (preparation of the presentation, defense) – 20 points. The condition of admission to the module is the fulfillment of not less than 60% of the sum of points of the current control.
<b>Deadlines and course retake policy</b>	Summaries that are submitted in violation of deadlines without objective circumstances are evaluated at a lower score (-10%). Deadlines for submission of all types of work are determined according to the schedule no later than the next lesson. Reassignment of written control (test) is with the permission of the lecturer if there is a objective circumstance.

<p><b>Assessment appeals policy</b></p>	<p>The results of the module and semester assessment are subject to appeal. A student must lodge an appeal to the director/dean on the day of certification or after announcing the results, but no later than the next working day. The appeal commission is established by the director/dean's order. The appeal commission's decision may change the grade in case of violations revealed during the attestation.</p>
<p><b>Academic integrity policy</b></p>	<p>Participants must complete all tasks according to the course requirements independently. Participants are not allowed to cheat during the written module or summative test. The assignments should not contain plagiarism, facts of fabrication, falsification, cheating. Manifestations of other types of academic dishonesty determined by the Academic Integrity policy are also unacceptable. If a teacher reveals violations of academic integrity by students during the course, the former have the right to take one of the following actions: - to reduce points by up to 40% for practical assignments; - to give recommendations for improving and resubmitting mandatory homework assignments with the reduction of points by up to 25%; - to not accept mandatory homework assignments without the right to resubmit; - set a date for retaking the written module or the summative test with a reduction of points by up to 15%; - to not allow to retake the written module or the summative test.</p>
