POLICIES	
Attendance policy	The student must attend 100% of practical classes and 60% of lectures. In case of skipping classes, the student must work off the missed lesson in accordance with the work schedule, approved by the department when there is a relevant order of the dean's office.
Assessment policy	During the course a student is awarded maximum 5 points for each practical class (the grade is set in the traditional 4-point grading system). The maximum number of points for the current educational activities of the student – 120 points (survey on the topic of practical class, test – 20 points, description of macropreparations – 20 points, description of micropreparations – 20 points). A student is admitted to the exam if he has fulfilled the conditions of the curriculum and if for the current educational activity he scored at least 72 points. The final module control is carried out according to the schedule at the end of 5 semester. The final module control includes testing of theoretical knowledge for the semester - 40 points, testing of theoretical skills – 20 points, situational tasks of “Krok-1” – 20 points. Practice-oriented exam is carried out according to the schedule at the end of 6 semester. Exam tickets contain 2 theoretical questions on various topics and cover all sections of the discipline (20 points each), a test of practical skills (20 points) and basic test questions "Krok 1" (20 points). The exam is credited to the student if he scored at least 48 points out of 80. Additional points are added to the grade for the discipline for the implementation of an individual research project (defence of an individual research project – 12 points, speech at the conference – 5 points, poster report at the conference – 4 points, thesis work – 3 points). The total score in the discipline may not exceed 200 points.

<p>Deadlines and course retake policy</p>	<p>A resit of a discipline is carried out if the student has an appropriate order from the dean's office with the specified term. In case of an unsatisfactory mark, the student has the right to retake the semester exam twice - first time to the examiner appointed by the head of the department, second time to the commission created by the dean's office. The re-examination is carried out according to a separate schedule, which is approved by the dean's office. Students who fail to take the exam without a good reason are considered to have received an unsatisfactory grade. A student's refusal to perform an exam task is certified as an unsatisfactory answer. The student has the right to receive an explanation of the grade obtained.</p>
<p>Assessment appeals policy</p>	<p>The results of the module and semester assessment are subject to appeal. A student must lodge an appeal to the director/dean on the day of certification or after announcing the results, but no later than the next working day. The appeal commission is established by the director/dean's order. The appeal commission's decision may change the grade in case of violations revealed during the attestation.</p>
<p>Academic integrity policy</p>	<p>Participants must complete all tasks according to the course requirements independently. Participants are not allowed to cheat during the written module or summative test. The assignments should not contain plagiarism, facts of fabrication, falsification, cheating. Manifestations of other types of academic dishonesty determined by the Academic Integrity policy are also unacceptable. If a teacher reveals violations of academic integrity by students during the course, the former have the right to take one of the following actions: - to reduce points by up to 40% for practical assignments; - to give recommendations for improving and resubmitting mandatory homework assignments with the reduction of points by up to 25%; - to not accept mandatory homework assignments without the right to resubmit; - set a date for retaking the written module or the summative test with a reduction of points by up to 15%; - to not allow to retake the written module or the summative test.</p>
