<b>POLICIES</b>	
<b>Attendance policy</b>	The student must attend 100% of practical and 60% of lectures. In case of skipping classes, the student must work off the missed class in accordance with the schedule of work, approved by the department in the presence of the relevant order of the dean's office.

<p><b>Assessment policy</b></p>	<p>During mastering module materials the student is assigned a maximum of 5 points for each practical lesson (the grade is set in the traditional 4-point grading system). At the end of the academic year, the arithmetic mean of student performance is calculated. The maximum number of points that a student can get in practical classes during the academic year -100. The number of points of the student is calculated by the formula 100 multiplied by the arithmetic mean and divided by 5. For diagnosis testing the student receives a maximum of 20 points. The minimum number of points you need to score get a student - 12 points. The maximum number of points for the current educational activity student - 120. The student is admitted to the exam subject to the requirements of the academy program and if for the current educational activity he scored at least 72 points: 60 points during practical classes and 12 points for testing. Practically-oriented exam is held on schedule at the end of the semester. Exam tickets contain 3 theoretical questions on different topics and cover all sections of the discipline (15x3 points), 1 practical task (15 points) and the issue of emergency care (20 points). The exam is credited to the student if he scored at least 48 points out of 80. Incentive points are added to the grade in the discipline for implementation of an individual research project (defense of student research work 12 points, speech at the conference 5 points, poster speech at the conference 4 points, thesis reports 3 points). The total score in the discipline may not exceed 200 points.</p>
<p><b>Deadlines and course retake policy</b></p>	<p>In case of unsatisfactory result, the student has the right to retake the semester exam twice - the first time to the examiner appointed by the head of the department, the second - to the commission created by the dean's office. The re-examination is carried out according to a separate schedule, which is approved by the dean's office. Students who fail to take the exam without good reason are considered to have received an unsatisfactory grade. The student's refusal to perform the examination task is certified as an unsatisfactory answer. The student has the right to receive an explanation of the grade obtained.</p>
<p><b>Assessment appeals policy</b></p>	<p>The results of the module and semester assessment are subject to appeal. A student must lodge an appeal to the director/dean on the day of certification or after announcing the results, but no later than the next working day. The appeal commission is established by the director/dean's order. The appeal commission's decision may change the grade in case of violations revealed during the attestation.</p>

<b>Academic integrity policy</b>	Participants must complete all tasks according to the course requirements independently. Participants are not allowed to cheat during the written module or summative test. The assignments should not contain plagiarism, facts of fabrication, falsification, cheating. Manifestations of other types of academic dishonesty determined by the Academic Integrity policy are also unacceptable. If a teacher reveals violations of academic integrity by students during the course, the former have the right to take one of the following actions: - to reduce points by up to 40% for practical assignments; - to give recommendations for improving and resubmitting mandatory homework assignments with the reduction of points by up to 25%; - to not accept mandatory homework assignments without the right to resubmit; - set a date for retaking the written module or the summative test with a reduction of points by up to 15%; - to not allow to retake the written module or the summative test.
