POLICIES	
Attendance policy	Attendance is mandatory. Under objective circumstances (eg illness, international internship) training can take place individually (online)
Assessment policy	The condition of admission to control measures is the performance of all homework
Deadlines and course retake policy	Student who missed classes without good reason are valued at a lower score. Rearrangement of modular tests takes place with the permission of the lecturer if there are good reasons (for example, hospital).
Assessment appeals policy	The results of the module and semester assessment are subject to appeal. A student must lodge an appeal to the director/dean on the day of certification or after announcing the results, but no later than the next working day. The appeal commission is established by the director/dean's order. The appeal commission's decision may change the grade in case of violations revealed during the attestation.

Academic integrity policy	<p>Participants must complete all tasks according to the course requirements independently. Participants are not allowed to cheat during the written module or summative test. The assignments should not contain plagiarism, facts of fabrication, falsification, cheating. Manifestations of other types of academic dishonesty determined by the Academic Integrity policy are also unacceptable. If a teacher reveals violations of academic integrity by students during the course, the former have the right to take one of the following actions: - to reduce points by up to 40% for practical assignments; - to give recommendations for improving and resubmitting mandatory homework assignments with the reduction of points by up to 25%; - to not accept mandatory homework assignments without the right to resubmit; - set a date for retaking the written module or the summative test with a reduction of points by up to 15%; - to not allow to retake the written module or the summative test.</p>
